

them & printed out the  
great article in the circumat.  
papers.

Please focus on your  
health as you think outside  
the box on your events. We  
are sure you will reach  
up & hurry to go on the  
next one.

But Bless you and your  
beautiful family!

24B, We pray you be  
home & well on the road  
to recovery.

your vision for the  
HWT was beyond my-  
thing imaginable. Every-  
& I don't just believe  
how your group transform  
the state. We wonder there  
& how many dear friends  
over the years but more  
compare to what you all did  
the ceremony on what was  
so special as well as the  
greatest memory.  
We will miss you & want to  
share back your presence - only  
from our love pages - only  
pictures & no articles. We  
have missed this with
