

"Committed To Service"

H.B.

I trust this card finds you well on the road to a swift and complete recovery from your recent health setback. Just wanted you to know how well the inaugural event (w) with the Ky Veterans' Hall of Fame, went. (Of course, I'm sure that has already been reported to you numerous times).

I wanted to speak with Judy when there, but everytime I tried, she was busy speaking with someone else.

Her love and devotion to our Veterans was

obvious in every aspect of the ceremonies. Thank you for caring so much for America's defenders and warriors!

Know you are in my prayers. Please call on me if I can ever be of help.

God's blessings,
