

Sir: Dear George.

18 March 2014

I just want to wish you a full recovery from your Health issue, as well to say thank for my introduction into the Kentucky Veteran Hall of Fame.

Sir I felt Honored or so humbled to be in the presence of so many wonderful Veterans.

I read that general Patton once asked, "Where do we get such men" I can say with pride a good bunch came from Kentucky...

I hope your hospital stay is short, and you recover soon. to say the fruits of your labor in the KVHF.

Sincerely
